Registration is at 9:30am and we will kick-off the walk at 10:30am. The music will start at 12:00pm and will end at 7:00pm.

How much does it cost to participate?

How can my company match my donation?

Matching gifts are a great way to increase donations. Check to see if your company will match employee contributions and encourage your donors to do the same. To take part in a matching gifts program, request an application from the benefits manager or human resources department of your company. Send the completed form to the Development Office at the Community House or call the department at (203) 934-5221 x133 and we will verify receipt of your gift and complete the process.

How do I turn in donations?

Donations for your team can be made directly online. For funds raised offline, download the donation forms on the event's webpage when collecting cash and check and bring to the Community House prior to the event or to the Walk registration table.
